

What is a Village Showcase Information Workshop?

Please refer to this Information Workshop guide to assist your Village Showcase Project planning.

Potential applicants to the Northern Rivers Food Links Project – Village Showcase Funding of \$50,000 per local Government Area (LGA) have the opportunity to attend Information Workshops being held across the Northern Rivers between Monday 10th May and Thursday 13th May 2010.

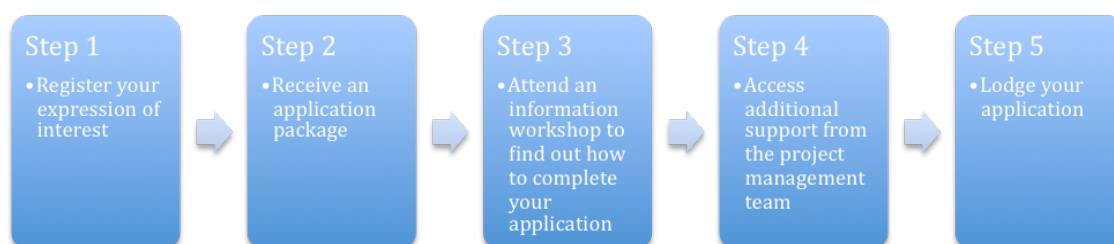

You may attend any of the Workshops in any of the LGA's – please refer to the timetable below for a time, date & place most suited to you.

Information Workshops are being offered to assist potential applicants to explain all aspects of the application process. There will also be the opportunity to discuss your projects with the Food Links Project Team and ask questions.

The Application requirements will be explained in detail, and further explanations will be provided on how additional assistance will be given at this time.

Please remember we are only funding ONE project in each LGA, so community partnerships will be prioritised in the selection process. Workshops will therefore provide the opportunity to meet with other community organisations to share and hear about potential project ideas.

5 steps to apply for Village Showcase Project funding
